MANAGING DIRECTOR'S NOTE

Welcome to our new 2022/23 catalogue. 2023 will be the companies 160th Anniversary having been established in London since 1863.

You will find we have renewed our collection to take into account changing trends. Braces continue to sell extremely well and this year we have expanded the range of digital Print designs which are designed by us and totally exclusive to Taggs. Cufflinks and Tie bars continue to grow in popularity and this time you will see many new designs which are highlighted as you browse through the following pages.

We would like to thank our loyal customers for their continued support through these challenging times and welcome new customers to our business. We hope you find exactly what you are looking for inside and if not please always ask.
